Volunteer Positions

Day Counselor

The role of a day counselor is to act as a leader and role model. We are looking for women who have a strong desire to invest in our campers self-esteem and really get to know them. We want our counselors to provide healthy support and positive supervision. Our goal is to provide campers with a fun and rewarding experience while learning how to deal with life's difficulties.

Counselors will need to participate in all camp programs and events. This will be a full day saturday from 8:00am - 9:00pm. There will be opportunities to lead games and participate in fun activities.

Craft Session leader

Do you know how to make jewelry? Can you teach our girls how to sew a simple scarf? Know any fun dance moves or intrepertive arts? On Friday night we always do a craft night, so come teach our campers somethign new and fun that we can bring home a momento from camp!

Volunteer Positions

Decorating Team

We want to transform the dining hall into a fancy dinner setting for our girls. It will be a 1920s theme for our dinner so bring on the gliz and glam!

Murder Mystery MC

This will take someone who is outgoing and theatrical and can really bring some drama to the night! We need our MC to read over the script and make sure the game runs smooth.

Servers

There will be passed appitizers and extra hands needed to serve drinks and dinner.

Photographer

We need someone to come a take pictures of the day. We want to capture all the memories and fun we had! These pictures will be used for a video to send to the girls of this special day!

Volunteer Positions

Photo Booth

Half the fun of getting dressed up is being able to take pictures after. If you have a niche for taking fun photos and making a cool 1920's backdrop this the job for you! Photo props and a wide space for multiple people is suggested.

Dinner/Server Team

Appitizers and a fancy dinner is what is on the menu. So we need to plan, prepare, and execute. We can go buffet style or if we have enough help serve the girls their plates. Maybe even fancy glasses and plates? All open to whatever this team decides!

Dessert Team

I am thinking of a chocolate fondue fountain and tons of dippable treats! We need this team to plan and prepare our chocolate fondue station.

Volunteer Positions

Hair Stylists

We are looking for professionals and nonprofessionals that have a way with hair. We will be getting the girls dolled up and dressed up to attend a nice dinner/prom-type event and need volunteers to help curl, pin, and make these girls feel beautiful!

Manicurists

Can you file and polish? Possibly even do a cute nail design? Join our Manicurist team to not only do nails but spend a few minutes investing into our girl's self-confidence with a kind word!

Make-up Artists

Are you good at makeup? This is the team for you! Bring your gear and glitter and let's make these girls shine! We can provide extra brushes if needed!
